The Easter Apparel Display Traces the Antiquity of Style

ONLY BY A GLANCE BACK INTO HISTORY'S PAGES, CAN WE OF THE PRESENT GAIN ADEQUATE APPRECIATION OF OUR OWN TIMES AND CUSTOMS. THE STYLES WHICH HAVE BEEN ASSEMBLED FOR THIS EASTER SHOWING MAY SEEM TO BE OF UNRIVALLED SPLENDOR AND UNPRECEDENTED LUXURY. BUT LET US LOOK BACK INTO THE BYGONE GENERATIONS TO CLOTHES THEN WORN, THE CUSTOMS THEN PREVALENT, THE MANNERS THEN AFFECTED. JUDGED AGAINST SUCH A BACKGROUND, THE PRESENT MODES SEEM TO HAVE CAUGHT INTO THEIR STUFFS AND LINES AND COLORS ONLY THE HAPPINESS OF FAMOUS, HAPPY EPOCHS. THIS PROVIDES A VARIETY OF MODES. NOW IS THE HAPPY SPRINGTIME. THE MODES TO WHICH WE CORDIALLY INVITE YOUR ATTENTION WILL GIVE FULL PROOF OF THIS FACT.

CANE MOLA

Not a prepared stock feed, but a selected, pure sugar-cane molasses. Very reasonable cost. Superior to corn. Endorsed by Government Experiment Stations. Successful dairymen and farmers are continually re-ordering in ever-increasing quantities. They realize how good and economical Cane Mola is.

Use Cane Mola with old hay, straw, shredded corn stover, fodder, ensilage, screenings, etc. Also with grains in the feed box. Dry untempting feeds become palatable and digestible, because of the sugar and natural salts. Your animals will be in prime condition always. Roughage is eaten up to the last atom. No waste. Cane Mola is the best conditioner you could possibly have. Use it for cows, hogs, horses, sheep, etc.

Feeding Costs Reduced to a Minimum

You save the cost of expensive prepared feeds, thus practicing real conservation. You will experience a rapid, healthier growth of stock. Cows yield 15% to 25% more milk.

THIS IS WHY YOU SHOULD GET US TO **RE-BORE AND RE-GRIND YOUR CYLINDERS**

We have equipment for re-grinding cylinders perfectly true and round, and we turn and grind the **Oversize Pistons and Rings** to suit. ¶ You will **save in oil and fuel** the cost of our work in one season. Your engine will give **more power than when new**. ¶ Your actual plowing time will increase. Loads will be pulled easier. You will not have to stop continually to clean spark plugs and adjust the carburetor; and on account of the steady power you will not have to be throwing your clutch in and out. You will, therefore, have less breakage on your machine. ¶ The whole work of your engine depends on the motor, and if there is no compression, you cannot do the work. ¶ By getting us to **Re-bore and Re-grind your Cylinders** you are sure of the **very best compression**. We guarantee it. Call at our showrooms and we can show you our work, and how we make the best job.

BAR-U AND NAMAKA FARM PERCHERON STALLIONS FOR SALE

We are offering this year the finest lot of TWO, THREE and FOUR-YEAR-OLD Percheron Stallions that was ever presented to the Breeders of Western Canada. These horses represent the best breeding and the best types in America. They are big, strongboned, thick drafty horses, thoroughly acclimatised as they have been bred and reared in Alberta and have never been overfed or doped to ruin their vitality and constitution. If you are interested in breeding draft horses you cannot afford to miss the opportunity of seeing these young Stallions while attending the Horse Show in Calgary. We will be glad to take you to the Bar-U or Namaka Farm any time, where you can not only see the young stallions, but also their sires and dams and be sure of the kind of horse you are getting. Call at the office in Calgary, phone M2849, and we will meet you at any time, or see Mr. Fleming or Mr. Carlyle at Horse Show

TYPE "F" POWER AND LIGHT PLANT

—AND—

PNEUMATIC FRESH WATER SYSTEM

TO YOU—in your country homes these requirements bring all the conveniences enjoyed by dwellers in the city. You will enjoy better health, greater comfort and will get much more out of life with them than without them.

YOU will have brighter, cheerier rooms which makes work easier and more quickly done.

YOUR stables and barns—always in danger from fire with the old lantern, will be free from that danger, and not only the buildings, but the valuable stock which is sheltered in them.

You can light all over the home plot for greater convenience in getting about after dark.

There are NINE variations from which to make your choice.

YOU will be amply repaid for the few minutes you spend with us.
